## **9. SPORT COMMITTEE REPORT (MARTIN NIELSEN)**

The Spring Virtual Show and the Flugnirkeppni have all been completed and the results uploaded. There have been multiple issues with the use of IceTest for the virtual show. A ransomware hack required a major effort by Doug Smith and Lutz Lesener taking IceTest offline and recreating all the lost data on an intermediary server. They got it back up and running, but it was still acting up for a while and it took a while to get all marks from all judges in the database. A few had to be re-entered manually. In the process, we also discovered an error with the National Ranking, but Em was able to address this quickly. Leslie and Em took care of sending judges' comments to the virtual show riders. We have been getting questions from some members about results from 2019 still appearing on the national ranking. My response has been that the 2019 results will disappear from the ranking as we progress through the year, and that we should consider going back to the two-year system once we have a full season's worth of shows in the books by the end of the year.

## **Sport Judge Seminar with Thorgeir Gudlaugsson, June 2-5, Larkspur, Co**

By Jeff Rose

Overall very successful, 8 attendees, 5 test takers, and two test passers, with the USIHC qualifying Paetra Hennigar and Coralie Denmeade as USIHC Sport B Judges. The process was exceedingly fair, with even-handed evaluations for all those taking the exams.

The four-day format (with a theoretical test on Saturday evening and practical testing on Sunday) is brutal.

Some participants were overwhelmingly positive about the clinic, directly seeing its applicability to their own riding and goals in the USIHC going forward - at least one participant plans on sitting for the exam again next year.

Some participants were frustrated by the clinic and its very high-level, unforgiving format.

From what I (Jeff) saw, the format is very fair, but it's a lot to take in. The pre-seminar zoom meeting with Alex P. was an essential first step. I think a second pre-seminar zoom meeting with Alex P. / Thorgeir / the instructor to talk about the format, talk about what's being tested in more detail, and enter into the theory lectures in more detail would be helpful. It also might allow the in-person portion to focus more on the practical components of judging, freeing up a little more time for people to gather their thoughts and prepare for the practical exam in a more meaningful way.

This is a seminar that benefits the USIHC more than the local hosts. I think we should consider increasing the level of USIHC support for this seminar, including a monetary component and something to help guide people's expectations a little more about what participants learn, why it's presented this way, how it fits in with FEIF, and just how significant the qualification as a Sport B or C judge really is.

## **Quarterly Committee report**

June 16, 2022

submitted by Nancy Brown

The Quarterly committee is now hard at work on Issue Three 2022. The deadline for articles & illustrations (including possible cover photos) is July 1. Board members and committee chairs, please send us any text, photos, or advertisements you want us to print in this issue. Remember that ads for USIHC events & programs are free, space permitting.

After editing and committee review, the submissions will enter the design stages on July 15; our press date is August 1. The e-Quarterly should be ready on August 15, with printed copies mailed by September 1.

We are budgeted to print 600 copies of this issue, which is only a little more than enough to cover our current mailing list. If you need copies for promotional purposes between September and December, please contact [quarterly@icelandics.org](mailto:quarterly@icelandics.org) in early July so that we can plan and increase our print run if necessary.
