To complete the registration process, send the following to USIHC registry, P.O. Box 1724, Santa Ynez, CA 93460:

1. A completely filled out and signed registration application. **INCOMPLETE APPLICATIONS WILL BE RETURNED.**
2. DNA report (Genetic Marker) with Parent verification statement (One document).
3. A check for the correct amount made payable to the USIHC registry.

USIHC registry rules detailing registration requirements are available from the above address or the USIHC website: www.icelandics.org

In consideration of the U.S. Icelandic Horse Congress processing this form and issuing any documents based thereon, all person(s) signing this document agree to be bound and to abide by the Registry Rules and Regulations of the USIHC, as from time to time amended. Additional copies of the USIHC Rules and Regulations are available upon request at no extra charge. All blank spaces must be filled in. No application will be considered unless accompanied by the required fee. Please consult current fee schedule. Responsibility for correctness of information submitted herein rests entirely with the applicant for registration. The USIHC is not responsible for any erroneous statements made on the application blank(s). Should any animal be registered or transferred through error, misrepresentation or fraud, the entry or transfer thereof shall be void together with all entries that may have been made for the progeny of such animal. Neither the USIHC nor its officers, directors, governing members or employees shall be liable for any damages sustained by the applicant for registration or any other person or party as a result of the issuance, transfer, or cancellation of registration certificates based upon statements made or information supplied by the applicant for registration or any other person or party. The USIHC may refuse to register an animal if such registration is deemed detrimental to the objectives of the USIHC as stated in its constitution.

REGISTRATION APPLICATION PAGE THREE – COLOR CODE

In order to register your horse you will need to provide a four digit color code. This code will allow the horse's color to be listed correctly on the horse's registration papers and in its record in WorldFengur.

Use the code builder below to select the proper color code for your horse.

AA

B

C

A – MAIN COLOR (2-digits)
